Cozi Zuehlsdorff, star of the Dolphin Tale movies and a gifted singer/songwriter, has something to say. Just in time for the holidays, Cozi Zuehlsdorff is releasing her New Single and Video 'Handpainted (Brennley's Song),' which deals with the important issues of beauty and value in our society today.

The video on her VEVO Channel brings the beautiful message of the song to life. This is her first time co-directing and producing her own video, so it's literally 'Handpainted' in every way. The song was produced by Eric Berdon and mixed by Grammy Award winner Craig Bauer

'The true beauty glowing from all of us is this: we are created by God. How incredible is that?' Cozi Zuehlsdorff continues. 'God thought each' one of us up, designed us, and spoke life into us. Our height, our skin, our teeth, our hair“”these were sketched by the living God. To be unhappy with ourselves is to shield our eyes from the glory pumping through our veins... the drums pounding out the soundtrack of our lives: imago Dei, imago Dei, imago Dei. We are created. We are loved. We are just as we should be.'

Cozi Zuehlsdorff's message of self-acceptance is hugely impactful with her fans as well as everyone tired of trying to compete with others.

Cozi Zuehlsdorff wrote and performed the song 'Brave Souls' (co-written by producer Eric Berdon) for the end credits of Dolphin Tale 2, starring with Harry Connick, Jr., Morgan Freeman and Ashley Judd, when she was only 15 years old. She went on to release her first EP entitled 'Originals' currently available on iTunes. She also co-wrote and performs the extremely popular EDM single 'The Girl' with producer Hellberg.

'It's not about being beautiful“”it's about being glorious,' Cozi Zuehlsdorff says. 'It's not about perfection“”it's about design. Let's live like we're handpainted... because we are!'

'Handpainted (Brennley's Song)' is now available on iTunes, Apple Music and others, and the video on VEVO.
